Folklorika Quilt

*Introducing Andover Fabrics new collection: Folklorika by Kim Schaefer.
Quilt designed and made by Kim Schaefer. Machine quilted by Dottie Custer.*

Quilt finishes 79½" x 104½"

Welcome

Rich in pattern and warm in color, Kim's collection is the star in this very easy and quick quilt. Made entirely of squares and borders, this pattern requires no block piecing, so it can be done in a weekend. Use all of the fabrics in the collection as Kim did, or combine yardages and pick several of your favorite prints.

Each inner border strip is pieced from 2 lengthwise strips. Cutting directions allow for diagonal piecing of the strips if you wish.
